No worries. All good points. I need to check in with Ann on the meeting with BEAD – try to ensure there are no surprises. As you mentioned below,

Debra,

If you need me on the call, I'm probably available, and I'm fine with the angle of the questions.

Hi Marion,

I am sorry to bother you again, because I know how busy you are right now with end of year tasks.

But can you confirm if I am missing any items for my call with Ann Tillman? I also plan to touch base with her on the meeting set up with BEAD.

Thanks.

Debra
